BRANDS THAT TRUST GLAMZONE

WWW.GLAMZONEDIGITAL.IN

The Abu Dhabi Tourism Board hosted 13 influencers on Yas Island to experience top attractions like Ferrari World, Yas Waterworld, Warner Bros. World, and CLYMB. Staying at luxury hotels such as Radisson Blu and Crowne Plaza, they shared their journey through stories, reels, and immersive content. The campaign generated over 10 million impressions on Instagram and YouTube, successfully showcasing Yas Island's premier experiences.

For the Mochi Shoes campaign, the brand selected five influencers—a mix of two nano, two micro, and one mega influencer—to showcase their new collection and attract Gen Z audiences. Each influencer embodied the brand's fresh vibe, creating collaborative Instagram reels that highlighted the collection's unique features. This strategy effectively generated excitement around Mochi Shoes and resonated with the Gen Z audience, enhancing brand visibility and engagement.
